

## 2020 New Sponsor Recruitment

The **Progreso Apoyo Program, AC** provides support for children living in Progreso and Chicxulub to help them complete their education. Generous contributions donated by residents, visitors, and supporters of the Yucatan coast area help our young people complete secundaria (middle school), graduate from prepa (high school) and be better prepared for the future. We are a Civil Association registered as a non-profit charity in the State of Yucatan, Mexico. There are currently 24 sponsors assisting students who are entering their 2<sup>nd</sup> year of middle school. **We hope you will join our program so we can recruit more students over the coming year!**

OUR MISSION	Remove barriers for children living in Progreso and Chicxulub so they can remain in school.
OUR VISION	Successful students in Progreso and Chicxulub who are ready to access future opportunities.
CORE VALUES	Transparency; Inclusivity; Sustainability.

### HOW DOES THE PROGRAM WORK?

- As a **SPONSOR** you will provide our Program with an annual contribution of \$2,900 pesos for a student attending a public secundaria school in Progreso. When your student enters the first year of prepa (high school) the annual contribution will increase to \$3,900 to cover the additional costs of registration fees and books. **SPONSORS** will continue to make annual contributions until their student graduates from high school. All contributions must be received by our Program between **January 1 and March 31 each year.**
- Our **PROGRAM** will match students and sponsors. We will purchase the items required by each student and distribute them to the students prior to the start of the school year. Each year you will receive a photo of your student in his/her uniform, with their backpacks. We will also send you updates of your student's progress in school. If you and your student wish to meet in-person, we can arrange that as well.
- **STUDENTS** are expected to maintain an average grade point average of 8.0 (out of 10) in their academic subjects. They must supply the program with their grades, and write a Thank You letter to their sponsor each year.

**WHAT DOES MY DONATION PROVIDE?** Your sponsorship donation will be used solely to pay for the items that a student is required to have in order to attend school in Mexico. Many families cannot afford to pay for these items, so their children cannot finish school beyond the 6<sup>th</sup> grade.

- Complete Uniform - shirts, skirts/pants, socks, a pair of shoes, and a sports uniform.
- Back pack with school supplies.
- Exam fees, school fees and books as required
