

2026 New Sponsor Recruitment

The **Progreso Apoyo Program, A.C.** provides support for students living in the greater Progreso area to help them complete their education. Annual contributions made by residents, visitors, and supporters of the Yucatan north coast help our young people complete secundaria (middle school), graduate from prepa (high school) and in most cases, continue on to college or university. We are a Civil Association registered as a non-profit charity in the State of Yucatan, Mexico. We currently have more than 80 sponsors assisting students who are attending either middle school, high school, or college. Your sponsorship donation will be used solely to pay for the items that are for a student to attend public school in Mexico. Many families cannot afford to pay for these items, so their children cannot finish school beyond the 6th grade. You can learn all about the benefits of becoming a Sponsor by visiting our website
